KALA HARI

Die Vielfalt Afrikas.

Die besondere Faszination und die ganz eigene Schönheit der Kalahari finden sich in vielem wieder. Die weite Steppenlandschaft und die fruchtbaren Oasen, die einzigartige Tierwelt und die bemerkenswerte Lebensart der Bantu-Völker mit ihrem traditionellen Kunsthandwerk waren Inspiration für die Kollektion „**Kalahari**“.

All das präsentiert sich hier in abstrakten Abbildungen von Sandverwehungen, in lebendigen Motiven aus der Tier- und Pflanzenwelt und in eindrucksvollen Dessins in Anlehnung an die Kultur der unterschiedlichen Völker dieses besonderen Teils von Afrika.

Auch die Farbpalette lässt keine Wünsche offen und bewegt sich von unterschiedlichen Weiß- und Naturtönen entlang an sinnlichen Farben wie Zitronengelb, Orangerot und Blassgrün hin zu kräftigen Kolorierungen wie Türkis, Mitternachtsblau und Gold.

Also, auf in die Kalahari – die Reise beginnt. Und das ganz einfach vom eigenen Sofa aus!
